

Feed My Lambs International

Dear loved ones,
A transformed closet. A transformed house. A transformed life. Or is it (1) a transformed life, (2) a transformed house, and (3) a transformed closet? You can think about it, but *all of that* happened all at once this past month! ...but before all of that happened, some of this took place. The group above were having so much fun at their family camp that we decided to join in the tug! Sophia won the relay around our play area slides– she does have the home field advantage of course. And, she’s swinging for the fences having just turned the BIG 5! The family camp packed the church and it was a wonderful time of fellowship...

The Packers jersey from the visiting group of my fellow Wisconsinites was a nice and appreciated touch (had to slip that pic in here), and I couldn’t resist the beautiful picture sent from Cuernavaca of the puppets show at Miracle of Life! It’s been a wonderful time of ministry as we head into April and our teen camp!! We’re expecting about 120 people for camp within the week so I’m scrambling to get ready for all of them and get you all the current news. Good news– great news. Jesus made that possible at the highest price. Happy Easter everyone.

Amazing things happen when the church pulls together. Just saying.

Praise report/ prayer requests:

Jesus is the vaccine for all that truly threatens our world.

March 29th-April 6th

For all of you that prayed for the East Lincoln mission, Thank you! We were able to visit two of the churches we help. Fuente de Gracia, our plant in Hector Colony, and Getsemaní. These are the churches of Pastor Juan and Minnie's sister Ime (top two photos, upper left).

The two Berea students that East Lincoln helps sponsor were able to visit us, along with all of their classmates! Alejandra is pictured with Pastor Randy and Mary from East Lincoln. She treated them (and us) to an impromptu time of concert and worship.

Her amazing gifts made it like a concert. (third photo on the left).

The Berea students came to help us get our facility ready for the campers! In between raking and pick-axing in the 99 degree heat, we had an extended time of worship along with our U.S. group. It was wonderful (lower left photo).

The paint crew from East Lincoln were all over the place at our facility and Berea too. Now I have to stop calling the little house blue- it's green and being transformed. We had quite a building crew too, so we took on a closet project at Berea! 28 feet of closet for the 12 women at the Berea dorm. Their old "closet" was an ugly sight and now they have a place to make themselves more at home- they love it! The Deems kids made an excellent lumber prep crew, but I'm afraid we ate a lot of saw dust (middle right photo).

Thank you to Rod, Randy and Mary, Cindy, Mike and Laura, Annalea, Ella, Sam, and Layla for coming to see us and help in so many ways. Also, a big thank you to all of you that are pulling and striving beside us. God bless you.

One of the days, while diligently running this great team and trying to finish some outdoor lighting for teen camp, I was interrupted by one of my neighbors. He needed counsel, so I stopped. He needed so much more- he needed Jesus. He is now transformed by the grace of God! He has passed from death to life...his son keeps texting Minnie wondering when he can come to camp, PRAISE GOD. So I gotta go!

He is risen.

Peace to you and yours and love from, Gary and Minnie and Sophia along with all your family in Mexico.
